

## Like a loving friend

memeri is a sock brand dedicated to using only gentle and natural materials such as silk, wool, linen and cotton.

Established in 1950, we have a long, trusted history in sock-making and we manufacture them right in our home country of Japan.

Warmth when cold, coolness when hot; in spring, summer, autumn and winter.

We wish to deliver you items for every season.

Because socks are worn everyday, we hope that memeri socks will be like a loving friend who always stays by your side.
