# ABOUT PRINT CLUB LONDON

**AN ONLINE GALLERY AT THE VANGUARD OF VIBRANT EAST LONDON CREATIVITY.**

Print Club London was established in 2007 and is run by Managing Director Fred Higginson (Sculptor / Illustrator) and Director Kate Higginson. The duo work closely with illustrator and Creative Director Rose Stallard, who brings the Print Club brand to life with her inimitable typographic style.

Print Club's East London hub comprises a large open screen printing studio, artists' studios, exhibition space, and serves as the HQ for their online gallery, selling limited edition screen prints.

Working with their incredible pool of contemporary artists, Luckies are proud to bring you a range of unique 'Artist's Edition' products.

**OUR COLLABORATION WITH PRINT CLUB INCLUDES AN ARTIST'S EDITION MAP, JIGSAW PUZZLES AND A HOME SCREEN PRINTING KIT.**

**PRINT CLUB LONDON**  
**X**  
**LUCKIES**

The products are inspired by and feature original pieces from some of Print Club's top artists and illustrators. Our 500-piece puzzles are made with recycled board, our exclusive Artist's Edition Scratch Map is responsibly manufactured in the UK and our screen printing kit is washable, reusable and includes safe, water-based ink. Easy on the eye, easy on the environment and good for the mind!

**See the range and meet the artists...**

# SCREEN PRINTING KIT

This kit and step-by-step guide has been developed by Luckies with Print Club London so that anyone can design their own t-shirts, tea towels, bags and banners, whether or not they've printed before. Our reusable templates and waterbased inks mean no nasty chemicals or single use screens. Just print, rinse and repeat. All you need is water, tape and some fresh ideas.

# JACQUELINE COLLEY

Jacqueline is an Illustrator and Pattern Designer based in East London. After working as a textile designer, Jacqueline turned her attention to illustration and print-making. She specialises in creating playful illustrations covering the realms of travel and curiosity and has worked across editorial, product, packaging and set design.

The jigsaw puzzles in this range, *Live & Grow*, *Love & Power* and *Courage is Within* are taken from her ongoing *Typographic* series in which she explores type and print making.

# LUCILLE CLERC

London, Paris, Brussels

Lucille is a French illustrator based in London. She set up her studio after graduating from Central Saint Martins and works mainly in editorial design for international brands, museums and publishers. Much of Lucille's personal work is inspired by the architecture of London and Paris and is regularly exhibited in shows across Europe.

© Julian Love

We've selected two of Lucille's pieces for our jigsaws, *Barbican Conservatory* and *London, Paris, Brussels*. Two great examples of how her work explores the relationship between nature and urbanisation.

## Barbican Conservatory

# CLARE HALIFAX

Sunset, Sunrise London

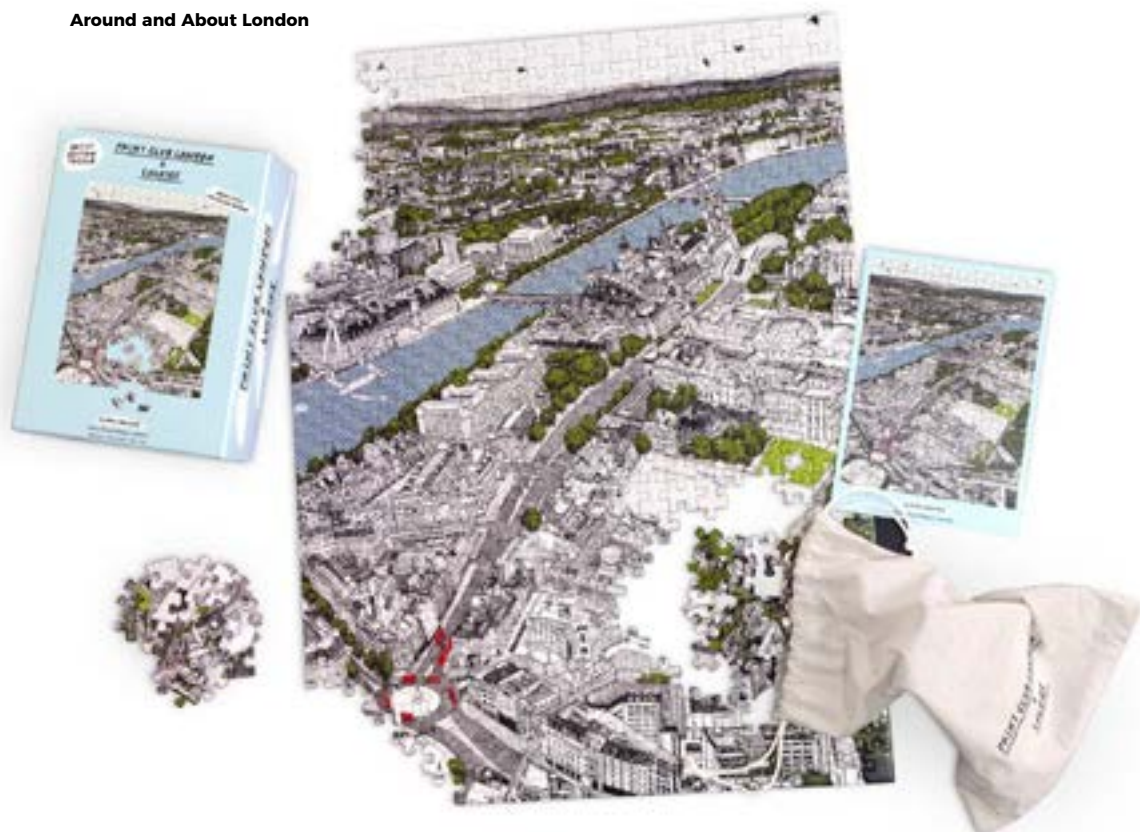

Clare graduated in Printed Textile Design, before achieving a Masters in Printmaking. Her focus is primarily on cityscapes, landscapes, botanicals and animals and her clients include the Victoria & Albert Museum, Coast Magazine, Liberty London, and Farrow & Ball. Clare resides in London where she continues to be influenced by her everyday environment.

We've chosen Clare's *Around and About London* and *Sunset, Sunrise London* to create two unique and challenging jigsaws.

# DAVE BUONAGUIDI

Be Big

Dave has spent over 30 years in advertising. He created the iconic 'Make Tea Not War' print for the anti-Iraq War March in 2003 which is now part of the permanent collection at the Victoria & Albert Museum. While on hiatus in 2015 Dave took up screen printing and has since made a name for himself printing bold type onto objects he sources himself.

© Julian Love

*Be Big*, one of Dave's biggest, boldest and most popular prints has made it onto our jigsaws, as has *Let's Go Get Lost Together*, originally printed on a vintage map of New York City.

## SCRATCH MAP™

*Artist's Edition*

Dave is renowned for his use of vintage maps and has created exclusive art to feature on a new Artist's Edition map for **Luckies** brand **Scratch Map**.

The art becomes unique to you as you remove the top layer of gold foil for each country you visit. An affordable statement piece for the home which you can revisit and customise time and time again.

**SCRATCH MAP**  
BY LUCKIES

## The original since 2009.

The Scratch Map™ was conceived in 2009 when the team at Luckies, already exploring the use of scratchable foils, realised that applying it to a map would be the perfect way to record your travels. Several prototypes later and our original white-and-gold map, now synonymous with the Scratch Map™ brand, was born.

Since then, the Scratch Map™ has gone global with dozens of unique styles, from world maps to national maps, and language editions to limited editions, all featuring high-end materials and print processes. But we've only just scratched the surface.

## How it works.

Every Scratch Map™ is covered in a thin layer of scratchable foil. Removing the foil to reveal the vibrant colours and details below creates a personalised and unique piece of wall art that serves as a record of everywhere you've visited. You can also uncover previously hidden detail, fascinating facts and beautiful illustrations.
