COMPACT DISPLAYS

Bobino developed a universal display that fits all its products. With a simple header change you can turn your display into another best seller.

All individual Bobino packaging allows pegging on hooks as well, so the Bobino brand can also easily be offered for wall merchandising systems.

Material: Carton
Dimensions:
9" x 19" x 0.8"
25 x 33 x 25 cm

SPINNER DISPLAY

Depending upon the retailer's need, we have a POS solution. Besides the standard Cardboard Table Display we have for each product, we also developed some display solutions that offer branded multi-product merchandising. Depending on available space and range of product a retailer carries, you can also choose a counter display, spinning and both easy to assemble.

All individual Bobino packaging allows pegging on hooks as well, so the Bobino brand can also easily be offered for wall merchandising systems.
