Pencils, Charcoals & Pastels

POLYCHROMOS ARTISTS' PENCILS

The soft waterproof waxy leads are smooth and particularly resistant to smudging. The richly pigmented leads (3.8mm) are break-resistant and can be sharpened to a very fine point for finer details or can be used to cover extended areas completely.

Minimum Order: 6

RRP: £2.49

Pencils, Charcoals & Pastels

FABER-CASTELL GOLDFABER COLOUR PENCILS

Goldfaber pencils are the perfect tool for those quick sketches, shading and detailed drawings. The pencils are highly smudge resistant and have strong colour brilliance, meaning their vibrancy is almost second-to-none. They are a great entry into using Faber-Castell pencils and are fantastic value for money if you're looking to invest in quality products.

Minimum Order: 12

CREATIVE STUDIO SOFT PASTELS

These soft pastels give an intense colour effect on all artworks. The vivid results make the pastels great for amateur artists, or those who like to work boldly. They work on various paper surfaces for differing end results. Easily mixed and blended using your finger, a wipe, Colour Shaper or brush to create seamless transitions in your artwork. A fixer is recommended on completed works.

MINI SETS

METALLIC

ART & GRAPHIC LIMITED EDITION CASSETTE

Purist design meets premium product quality with almost 400 selected creative products from the Faber-Castell Art & Graphic range. The exciting interplay of dark stained wood with a satin matt finish and anodised aluminium gives this exceptional cassette a timeless elegance – an eye-catcher in every studio, office or even at home.

- The almost 400 selected creative products from the Faber-Castell Art & Graphic range cover the entire fascinating colour palette and guarantee reliable quality for the highest artistic demands.
- Wood possesses an incomparable wealth of variations thanks to its grain.
- The cassette comes in a limited edition of 1,761 and, due to the unique wood grain as well as the serial number, each of the cassettes is one of a kind.

Purist design meets premium product quality

ALBRECHT DÜRER WATERCOLOUR MARKERS

A brand-new range of dual-ended, waterbased professional markers. As is expected from *Faber-Castell*, the markers have highly-pigmented ink and come with a flexible brush nib for all over colour and sketching and a stable fibre tip for outlines and precision lines. Excellent water solubility and no bleedthrough on paper.
