

FROM YOU TO ME

Trade Brochure 2023

HELLO

With less than 100 days until Christmas we are very busy in the office taking orders and gearing up for what we hope to be a really exciting festive period.

All our stock has arrived and we are ready to process orders really quickly with our new integrated on-line ordering system, so if you haven't set up your trade account yet, now is the time to register online at www.fromyoutome.com/trade.

Our team is growing. Tegan Davis joined us in the summer as an in house illustrator and she is working on some lovely products which we will be launching in 2024. We will be ready to show you these at Top Drawer at Olympia in January or make sure you are on our email list if you can't make that show.

I Made A Book About You, which launched a few months ago, is proving really popular. It's a beautifully illustrated gift book, with pages that can be personalised, making it a very special gift.

The 6 Born In The books, ranging from the 1940s to the 1990s, are also in demand, which is no surprise really as they are a wonderful trip down memory lane, packed with so much memorabilia from two decades.

Enjoy browsing through our brochure and get in touch at hello@fromyoutome.com with any questions, or if you're passing, please do pop in and say hello!

The FROM YOU TO ME team.
