

**RETHINK UMBRELLAS.**

Imagine a world where aesthetics, quality, and environmental awareness come together in harmony. The Re³ is not just a regular umbrella: it's a unique accessory that will make you stand out from the crowd. At Knirps, our goal is to craft innovative solutions that stand the test of time. The Re³ combines three standout features in one state-of-the-art umbrella. Step out of cars or narrow doorways with ease without getting wet, thanks to the reverse folding frame.

**YOUR BENEFITS:**

- german quality with 5 years warranty
- sustainable product by recycled and longlasting components
- unique design
