

BANWOOD

WE LOVE THE WAY KIDS PLAY!

OUR STORY

Banwood is a family-owned lifestyle brand with a passion for creating high-end products for children. Our core values lie in high quality, safety features together with timeless design.

Banwood aims to keep timeless childhood moments resonating through generations to come. The feeling of getting your first bike and learning to ride it. Playing out on the street all day until it gets dark and your parents have to call you inside.

TIMELESS DESIGN

Banwood products are inspired by Scandinavian designs with a touch of mid-century charm.

Our bikes are made using sturdy and durable high-quality materials. The frames are steel and the handlebars aluminium. The saddles and grips are cut from high-end faux leather; a material suitable for all weathers and easy to wipe off. The detachable wicker basket is made of rattan and is ideal for packing the essentials for a day's adventure.

We pay close attention to each step in the process, from design and manufacture to delivery and use, so that we can ensure a safe and great bike experience.

BALANCE BIKES

BALANCE BIKES

The Banwood balance bike is safe and durable without pedals, chain or training wheels. It is the perfect choice for a first bike as it supports the development of your child's natural motor skills and encourages them to use their own balance and body to move forward.

Cycling from an early age benefits all children, giving them the mobility and confidence to transition to a pedal bike without ever needing stabilisers.

Our bikes are designed with a classic, child-friendly frame, height-adjustable saddle and handlebars for easy and individual customisation to match the growth of your child.

The Banwood Balance Bike is well-designed for kids aged 2.5-5. It supports children's natural motor skills and encourages them to use their own balance and body to move forward.

THE CHROME EDITION

Our balance bike in chrome is a special edition of the balance bike. It is designed with a unique hand-brushed alloy frame and fork, and a height-adjustable soft saddle to give maximum comfort to your beginner cyclist.

The alloy handlebar has high-quality wooden end-caps and the 12" wheels come in a sporty black finish. Because it is uniquely lightweight, the FIRST GO! Chrome is a great way for growing adventurers and little rebels to discover the world.

CLASSIC BIKES

CLASSIC BIKES

Inspired by vintage bicycles for adults and influenced by Scandinavian design, the Banwood Classic features a lightweight alloy frame in pink or white finish. And your junior cyclist will be the coolest kid on the block with the bike sporting brown faux-leather saddle and grips in matching colors. Banwood's unique rosewood vintage pedal, cream 16" tires and a detachable wicker basket in rattan - perfect for packing in the essentials (think lunch, water bottle and favourite toy!) for a day's adventure.

Plus all the premium bicycle trimmings - kick stand, training wheels, security wheel brake, adjustable handlebar and saddle, bell, wheel reflectors, back reflectors and single speed gears.

The Classic is a perfect first pedal bicycle for children aged 4 to 7. Designed with a vintage look and equipped with all the safety features.

SCOOTERS

SCOOTERS

The Banwood Scooter is the first collection of children's scooters, created based on the company's vision of positively influencing an active lifestyle for children by developing unique and quality products that allow them to create fun memories as they develop as individuals.

The scooter features Banwood's patented Easy Ride System which facilitates the steering, an exclusive plywood non-slip scooter deck, an adjustable T-bar to adapt as the child grows, comfortable rubber grips and their characteristic wicker basket for bringing the essentials out for the adventure.

The vintaged inspired Banwood scooter is developed for kids 3+.
A ride with the scooter benefits your child's development, since it advances their balance, fine motor skills and coordination, making them unstoppable riders full of self-esteem.

SKATEBOARDS

SKATEBOARD

The Banwood Skateboard is a small cruiser board designed for a relaxed ride that both beginners and experienced riders can enjoy. Made out of natural Canadian Maple, the deck features a soft, transparent grip designed with your little one's bare feet in mind. Launching in 8 different styles, the boards also include soft, high rebound wheels perfect for an easy and stable ride.

Banwood's new skateboard collection combines our signature, simple and nostalgic designs with vintage elements in playful pastels - taking your little ones back to the golden age of California in the 70's.

The Banwood Skateboard is designed for kids aged 3+. Skateboarding is a fun way for kids to develop coordination, balance, and spatial awareness while expressing their creativity.

HELMETS

THE CLASSIC HELMET

We offer a great range of kids bike helmets that are lightweight, stylish and provide safety through design and tested materials. They are the perfect addition to any child's adventure, designed in carefully selected colors with a matte finish.

Our children's bike helmets feature a resistant ABS outer shell for the ultimate protection when cycling in the streets.

The dial-fit adjustment system in the back, and the adjustable chin strap, allow customization to provide a comfortable and stable fit.

Banwood kids' helmets are available in 50 - 54cm, which is suitable for children aged 3 to 7 years old.
