HAIR ACCESSORIES

THE CATALOGUE 2024

## THE RIBBIES RANGE.

Ribbies offers a wide range of stylish hair accessories, from the super-cute to the effortlessly chic, for girls of all ages. Hand-sewn to last and manufactured responsibly, Ribbies promises unrivalled quality at an affordable price.

It all started with our 'Ribbies Clippies': pairs of patterned ribbon-wrapped alligator clips. They instantly took off thanks to their beautiful, fresh design and innovative non-slip grip on even the thinnest, most flyaway hair.

Now, in addition to the original clippies, the Ribbies brand includes many different styles of hair accessories, from basic hair bows, hair clips, headbands and other classic hair accessories to unique, trendy, colourful and fun hair fashion products – including an exclusive Liberty's Collection - all designed and produced exclusively by Ribbies.

## ABOUT RIBBIES.

Founded in 2006 by an American mom, Ribbies is now owned by a French mum living in London. Lucie Costa de Beauregard was the brand's official European wholesaler and retailer before taking over and continuing the Ribbies tradition for style and innovation.

Ribbies works with just a few carefully selected manufacturers which are based in China (hair clips, bow elastics and grosgrain headbands), Romania (knot headbands) and the United Kingdom (fabric bow headbands).
