HAPPY
Little Doers

Hello! Welcome, to Happy Little Doers.

We are a family-run business established in July 2020, inspired by educating our own children during lockdown one. We have grown to become a multi-award winning baby and childrens toy brand, stocked in over 80 independent & high street stores worldwide, including UK, US, Europe, Canada, UAE, Hong Kong and Australia. We are an ethical brand, aiming to ensure our products are environmentally friendly and sustainable.

Happy Little Doers inspires children to reach their full potential by helping them discover their favourite way of learning through play. We create fun interactive learning products; designed to support brain development, encourage learning of essential skills and to bring out confidence and happiness in every child.
