With a choice of colours available, it makes a perfect garden room, office, or playroom.

As standard the Classic Hut comes with the following:

- Solid oak chassis
- Cast iron wheels and turntable
- Pine cladded walls
- Oak steps
- Hard wood or UPVC windows and doors
- Oak floor
- Electrics including USB sockets
- Light switches and light fittings
- Squirrel Log Burner

Our huts can also be made with an en-suite for an extra cost.
