NEW - BUBBLE GLASS VASES

Available in two sizes, our new Globe Vases add an organic softness to our glass collection. A charming vessel for favourite florals, from a single bud to a full bloom. Use one way for a bouquet or turn over to create a single stem vase.

Our Mini Bubble Vase sits neatly in the palm of your hand, as you choose the perfect spot for the charming tiny vessel. The Medium Bubble Vase is equally tactile but creates a statement in the home. Handcrafted from borosilicate laboratory glass.

REVERSIBLE GLASS VASE

The perfect vessel for arranging your favourite florals, from a single bud to a full bouquet. A beautiful geometric object whether filled or empty. Use one way for a full arrangement or flip to create a single stem vase.

The dual-purpose vase allows you to make the most of your bouquet. As flowers start to fade, flip the vase and breathe new life into the remaining stems.

Hand-crafted from recycled borosilicate laboratory glass, the vases display clean geometric lines, complementing the natural florals within. Simply adding water creates a visual impact as the shapes within interact.

SMALL REVERSIBLE GLASS VASE

The perfect vessel to arrange short stem florals, from a single bud to a bunch of wildflowers.

As with the large version, the Small Reversible Glass Vase offers two coloured vases in one, designed to let creativity flourish.

The smaller size makes a beautiful table centre piece when arranged in a set.

They are also designed to sit neatly on the windowsill, celebrating foraged flowers.
