WHOLESALE CATALOGUE

Hi, I'm Jemma!

I'm a former handbag designer for a British brand and have turned my creativity into designing greetings cards.

Based in Winchester, each piece is hand drawn with watercolours and enhanced with digital finishes.

Vibrant and unique, this fusion of traditional artistry and modern techniques results in a visually striking collection that is also ethically conscious.

Each card is printed onto sustainably sourced card and is provided with a recycled kraft envelope and card catch sticker to complete the product.
