Hannah Paine, founder of épanoui, launched the coveted jewellery brand in 2012, with a high street shop & studio following suit in the Autumn of 2015. With 7 years of retail growth and serving our wonderful customers, our handcrafted collections have grown into the much loved pieces that our all female team create today. épanoui's meaning ~ to blossom, to grow and to flourish ~ is a daily inspiration to us. As every season changes we bring to life beautiful and wearable jewellery that encourages our loyal community to do just that.

Our signature collections are created for jewellery wearers who love to layer. Each piece is made by us using the finest Sterling Silver, 14k Filled Gold, Gold Vermeil & silks in our popular thread bracelets.
