

Our Range of Liberty Fabric Luxuries

Alice Caroline offers a unique range of Liberty gifts, accessories, homewares and sewing kits. We are also the only UK authorised distributor of Liberty fabrics.

Our gifts and accessories collection is made in Britain and it transforms exquisite Liberty Tana Lawn® into a stunning range of luxury items which showcase traditional timeless designs as well as bold contemporary styles. Our range is finished to the highest quality in beautiful fabric which is the epitome of British design, with a worldwide appeal.

Our complementary range of Alice Caroline Liberty homewares includes cushions and trays. Our handmade sewing kits make sewing with Liberty fabrics accessible to all.

About Us

Alice Caroline grew out of our founder's life-long love of Liberty prints. Our Cotswolds studio is a hive of creativity and industry. Our ethos is to support British design and manufacturing whilst running an ethical business. We pay a fair living wage, responsibly source the materials for our products and use ethically audited factories.

We provide excellent customer service and are delighted to have been awarded the Queen's Award for Enterprise: International Trade.

Our Customers Say
