Welcome to the magical world of Hutch Cassidy,
where imagination takes flight and every
greetings card tells a story of joy and wonder.

Hutch Cassidy puts the customer at the heart of every
design, and always stays true to our mission of
sprinkling a little bit of magic into everyone's lives.

Each enchanting design in our extensive range starts
its life as a painting in our vibrant studio in Helmsley,
North Yorkshire. Here Nicola draws inspiration from
the rich tapestry of our beautiful planet, and her own
imagined magnificent creatures, bringing
them together in a truly whimsical way.

Striking use of colour and fanciful designs guarantee
the Hutch Cassidy range stands out from the crowd,
with each simple piece of paper being
transformed into a magical scene of wonder.

Our ongoing commitment to creativity, quality, and
vibrancy has not only won Hutch Cassidy a cherished
spot in the hearts of many but has also opened doors to
being stocked in many wonderful galleries, shops,
museums, florists and major retailers around the globe.
