# hello,

## and welcome to Shaku's Latest Collection.

We're thrilled to present the newest chapter in Shaku's evolving story—a collection that celebrates the artistry and innovation at the heart of our brand. This season, we're bringing you even more of what you love: vibrant florals, exquisite cards, and exciting new additions to our growing stationery and gift range.

As we approach Christmas, we've focused on refining our designs to resonate deeply with our customers, staying true to our core values of exceptional quality, ethical production, and sustainable practices. We believe these elements are key to creating products that not only delight but also make a meaningful impact.

### About Shaku: Where Art Meets Purpose

Shaku was born from the creative vision of Shakera 'Shaku' Tayub—a designer and artist who discovered her true passion for art later in life. After pursuing her artistic education at Loughborough University and De Montfort University, Shakera combined her skills, passion, and life experience to launch Shaku in 2019. What began with a collection of beautifully designed scarves has now grown into a diverse range of wearable and usable art, each piece a testament to Shakera's commitment to quality and beauty.

Shakera's journey as a late-blooming entrepreneur has given her a unique perspective, allowing her to infuse each product with the wisdom and meticulousness that come with experience. Her stationery and gift range is designed to offer high-quality, beautifully crafted pieces that resonate with a wide audience, ensuring that every item meets the highest standards of design and craftsmanship.

### Introducing Our Autumn 2024 Collection

Our Autumn 2024 collection builds on the success of our core offerings, introducing even more of the designs you love. This season, we've expanded our range to include an enchanting Christmas collection, stunning new notebooks, and beautifully crafted gift wrap—perfect for adding a touch of elegance to any occasion.

We're confident that this collection will continue to captivate, offering the perfect blend of artistry and functionality. Whether you're a bookshop, a boutique, or a discerning retailer, Shaku's products are designed to stand out and delight your customers.

## Timeless Florals, Thoughtful Craftsmanship

Enhance your card selection with our exclusive floral greeting cards, each uniquely designed by Shakera using distinct methods. Some cards are crafted using traditional mediums like pen and paint, capturing the intricate details and vivid textures of each flower. Others are created digitally with her Apple Pencil, offering clean, precise lines and modern aesthetics. This blend of artistic approaches allows each card to showcase Shakera's versatile talent and focus on the beauty of floral art.

Printed on premium 300gsm textured card and made from sustainably sourced, recyclable materials, these cards not only enhance visual appeal but also uphold environmental responsibility. Choose Shakera's designs to bring a unique and sophisticated touch to your card range, combining artistic brilliance with sustainability.

Our portrait cards are 5"x7" and square cards are 148x148mm. Each card comes with an envelope and cellophane bag. Christmas cards come with a festive gold envelope.

Choose from 98 unique designs.

## A Statement of Artistry and Quality

Stock your shelves with fine art prints that tell a story of dedication and craftsmanship. Shakera's floral designs are brought to life through meticulous hand-drawing, followed by giclée printing on luxurious Hahnemühle museum etching paper. The use of 100% cotton ensures each A3, A4, or A5 print not only looks stunning but also feels exceptional, offering a high-end experience for your customers. Embossed with the Shaku logo for an added layer of authenticity, these prints represent more than just art—they are a symbol of the thoughtful, sustainable creation process that will appeal to eco-conscious consumers and art lovers alike.

Choose from 18 unique designs.

Each fine art print comes with archival backing board and premium clear print bag.
