AUTUMN 24

WE GIVE 1% OF OUR TURNOVER TO
TREE PLANTING AND ENVIRONMENTAL
CAUSES THROUGH THE ORGANISATION
1% FOR THE PLANET.

THE ENVIRONMENT

We have been producing greetings cards and stationery since 1997 and we feel it is time that we start to take responsibility for the impact on the environment our business has made.

Here's what we're doing to supply you with high quality cards and stationery in a way which is kind to the environment.

1% for the Planet

We give 1% of our turnover to tree planting and environmental causes through the organisation 1% for the Planet. Business members of 1% for the Planet commit to giving 1% of turnover each year to our approved nonprofit partners. Proceeds from our Minnows range will be donated exclusively to charities which support our rivers and oceans.

Unwrapped cards

All of the cards in this catalogue are supplied unwrapped. Our single cards use either a peelable clasp label or a translucent paper band to hold together the envelope and the card. We also pack trade units of cards in glassine paper bags instead of plastic. We strongly believe this is the right thing to do and we're committed to producing all new ranges without plastic packaging.

Worried about damages?

We understand that damaged stock is a concern for some customers in moving to unwrapped cards. To help you feel more confident to make the change we are more than happy to replace any damaged stock free of charge. Please just get in touch.

NEED A SAMPLE TO DISPLAY IN YOUR SHOP?

If you order 10 or more height charts we'll send a free sample version for you to display. We also offer these for sale with smaller orders at 50% of the cost price (£6.25). Our sample height charts are identical to the full price versions, but marked 'sample - not for resale' down the side of the height chart and on the top of the box.
