Each print is packaged in a compostable film bag, with a board back for support and protection. They can also be supplied unpackaged to remove waste entirely, if preferred, although we don't recommend this for prints.

All landscape designs feature the name of the location on the back of the print.

Joy Jen Studio is a nature-inspired stationery brand that celebrates the beauty of the great outdoors.

Our founder, Jenna, designs all our products by hand, taking inspiration from the nature around her (often actually creating outdoors!) using a wide range of art materials, such as pens, pencils, paint & crayons.

All our products are then printed here in the UK onto luxury papers, before being carefully packaged and sent out from our Yorkshire studio to consumers and stockists around the world.
