

Elizabeth Mugridge

Wholesale Catalogue 2025

HELLO & WELCOME

Elizabeth Mugridge Design was set up during lockdown in June 2020.

Elizabeth creates luxury, beautiful and creative paper products that will put a smile on people's faces and brighten up their day! She creates designs and illustrations that express her personality and her love for illustration and colour. The designs are inspired by everyday life and the outdoors.

Designs are either hand-painted in gouache and edited in Photoshop or designed on a iPad in her studio in Surrey.

Sustainability is very important to Elizabeth. All of the paper goods are printed onto FSC - certified paper stock. All of our packaging is plastic-free and recyclable.

We would love to hear from you if you would like to apply to become a stockist.

Elizabeth
