ABOUT

Claire Paul is an independent giftware brand with a colourful and playful style that aims to bring joy to people's lives. All our products are illustrated and designed by Claire in her home studio in Newquay on the Cornish Coast.

Amongst the range you will find beautiful paper-goods, art prints and enamel pins taking inspiration from folk art, quilting, vintage pattern design and Claire's love of the traditional countryside cottage aesthetic.

Claire's landscape illustrations use considered colour palettes and brushstrokes to depict the gentle and hazy nature of rural scenery.
