From Nature

Dried flowers and leaves, moss create designs inspired by Milanese marble: sleek, elegant, and with abstract strokes of color. Unique patterns bring a subtle charm and air of mystery. We see our candles as object d'art to elevate any and every space.

Florist's Design

As experienced florists, we understand the power and impact of beauty. We create with intention and each of our candles is handmade to express love and inspire joy. Our candles bring the beauty and essence of nature into your life.
