SPRING/SUMMER 2025

Nido is an independent jewellery brand with a distinctive bright and bold style. Offering a unique plastic-free alternative to acrylic jewellery, Nido appeals to the eco-conscious consumer as well as colour lovers and dopamine dressers.

Working exclusively with UV printed sustainable birch plywood, designer Olli Moon creates joyful jewellery from her studio on the North Cornwall coast. Olli's playful designs are a riot of colour and pattern that are guaranteed to spread joy and stand out from the crowd in any retail space.

In addition to our wholesale offering, we are always open to collaboration and welcome enquiries about custom orders and private label designs.
