AN INTRODUCTION TO OUR JOURNALS

Thoughtful attention to detail is at the heart of our Modena Journals. From the useful expandable pocket on inside back, to the two coloured page marker ribbons. Each journal is fastened with a sturdy, colour-coordinated, flat elastic – crafted to be both secure and neatly tucked when the books are open. When closed the elastic can be utilised as a tidy pen holder. Whether choosing the genuine premium soft leather or the luxury linen touch hardback, each is available in a choice of ruled or dot-matrix FSC®-certified Ivory pages, two size options and a range of themed cover colours. On the inside front of each journal is an emotive story starter, unique to the colour of the book – a daily reminder to...

RAILEX™ – BRITISH INNOVATION SINCE 1908

Ever since our founder, Frank Wilson, designed and hand-made the first lever arch file back in 1908, the company has gone on to lead the way in designing and manufacturing a range of practical filing solutions that work smarter.

Innovation has always been at the core of what we do.

Today Railex™ design & manufacture a wide range of files & folders from quality, sustainable materials in our modern, fully-equipped UK factory.

The Experts in Smarter Filing – we have supplied over 5,000 companies world-wide and as part of The Verat Group we can offer even more.

RAILEX™ & MODENA

We are proud of our independent heritage but even more delighted to be partnering with Modena to bring these beautiful new notebooks to market - hand-finished with pride and passion – echoing the traditional bookbinding skills of generations past.

We have all colour ranges in stock, ready to distribute from our 42,000sqft warehouse, all backed by our knowledgeable sales & customer care teams.

We are investing in new equipment to offer foil-personalised journal covers, as well as a range of online & in-store branded gift wrap options and Social Media campaigns.
