

The image features a stylized graphic design. The background is a solid light blue color, overlaid with large, abstract, rounded shapes in a pale yellow or cream color. The shapes are arranged in a pattern that resembles a stylized sun or a floral motif. In the upper left quadrant, there is a prominent graphic element consisting of two parts. The top part is a rounded, cloud-like shape filled with a vibrant orange-red color. Inside this shape, the word "BAKED" is written in a bold, white, rounded, sans-serif font. Below this shape is a smaller, rectangular shape, also filled with the same orange-red color. Inside this rectangle, the word "IN" is written in the same white, bold, rounded, sans-serif font. Both the orange-red shapes and the white text have a thick white outline, giving them a sticker-like or cutout appearance. The overall aesthetic is clean, modern, and playful.
