MAKE ME IC<sup>O</sup>NIC

## *a bit about Make Me Iconic*

Make Me Iconic takes an entirely new tack on designer homewares, toys and premium Australian Souvenirs and Gifts. We LOVE to bring the unsung icons of Australia and its cities to life and into people's homes.

And we've been at it for a while, producing some much-loved (dare we say, iconic) toys and homewares products along the way. Established in 2009, we finished off 2019 celebrating our 10TH BIRTHDAY (with a giant cake of course!)

Make Me Iconic is stocked in 250+ Australian stores & has already found a home in some overseas retailers. We hope our products will help bring icons to life in your home, as they have in ours.
