

ÉN GRY & SIF
SCANDINAVIAN HANDMADE DESIGN

made by human hands

MADE
BY HUMAN
HANDS
IN NEPAL

"En" in Danish means "one - and only one". All En Dry & Sif's products are handmade, so there is only "one" of each, since there will always be small differences in each product.

En Dry & Sif is Danish design, but all handmade in Nepal by very skilled workers.

All products are made of pure natural wool from New Zealand.
