

MAGGIE MUMFORD

Maggie Mumford

After gaining an honours degree in graphic design Maggie pursued her love of illustration in various roles, but she particularly loves creating greeting cards. She works mainly with watercolours and coloured pencils and likes to include a little dog in the design wherever possible. She works from her garden studio in Surrey with her border terrier Eddie at her feet.

VICKY TUCKER

More in Main Catalogue (p64-65)

Vicky Tucker

Vicky lives in a small, rural village in the North York Moors National Park and loves the outdoor lifestyle, frequently taking inspiration from the rich colours and wildlife on her doorstep. She has always had a passion for drawing and painting, initially training and working as a textile designer before returning to her grass roots of fine art. Vicky has many elements to her work, from large landscapes using big brushes, to the very finely detailed animal portraits for which she has an established reputation.
