AUTUMN WINTER 2026

#### HUMMINGBIRD NUDE

A chinoiserie of neutrals featuring the hummingbird, climbing branches and Chinese blooms. A beautiful homage to the traditional silk screens. A perfect transitioning print for the changing seasons.

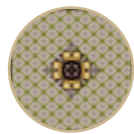

#### ROSA BLUE

A simple design of oversized floral and abstract clouds inspired by Japanese print. Slate blue with cream pattern with a very subtle pink in areas give this depth.

#### AMULET GOLD

Borders with scrolls and filigree work with a honeycomb lattice pattern, this is centered by the amulet. Rich gold, tans and browns layer upon layer build a luxurious print.

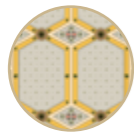

#### AMULET GREEN

Borders with scrolls and filigree work with a honeycomb lattice pattern, this is centered with the amulet. Rich gold, olive and brown layer upon layer build a luxurious print.

#### ROSA BROWN

A simple design of oversized floral and abstract clouds inspired by Japanese print. Caramel brown with cream pattern with a very subtle burgundy in areas give this warmth and depth.

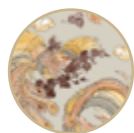

#### FLEUR DE LYS GOLD

An architectural design of bold geometric shapes. Sectional areas with small fleur de lyse insets. Colours of green silver and gold make a very polished pattern.

#### ANGELS OLIVE

A fantastic Bold Rococo inspired print. Scrolls and pediments, feathers and crowns. Cherubs playing their trumpets. Heavenly Print.

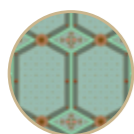

#### PHOENIX GREY

A whimsical illustration of a phoenix circling around, feathers flying. Gentle colours in peach, mauve and sand on a silver-grey background.

#### JACQUARD PUTTY

A printed woven jacquard floral design. Japanese style chrysanthemums and dahlias. Gentle subtle colors of green, ivory, mauve with a feature salmon pink and tangerine giving the print a punch of colour.

#### FLEUR DE LYS AQUA

An architectural design of bold geometric shapes. Sectional areas with small fleur de lyse insets. The aqua colourway is high impact. Arsenic green, aqua and jade with Scarlett red accents.

## MID - SEASON PRINTS

JUN - JAN

## AUTUMN WINTER PRINTS

SEP - JAN

### AMULET EMERALD

Borders with scrolls and filagree work with a honeycomb lattice pattern, this is centered with the amulet. Rich turquoise, olive and blue layer upon layer build a luxurious print.

Reminiscent of a Moorish pattern

### CRANE BROWN

Symbolising good fortune and longevity our Crane print is now a classic in our collection.

An unusual combination of colours. Blues and greys with rust and brown make a sophisticated print.

### FLEUR DE LYS SAND

Borders with scrolls and filagree work with a honeycomb lattice pattern, this is centered by the amulet. Rich gold, tans and browns layer upon layer build a luxurious print.

### NASTURTIUM FAWN & BLACK

A giant print of green hazy leaves with rust and cinnamons flowers on a camel-coloured background. A beautiful autumnal colour tone.

Nasturtium Black is also a giant print with a smash of oversized indigo petals. This pops on a solid black background.

### ORCHID TEAL, GREY & BLACK

An oversized botanical print of the stunning Slipper Orchid in classic black or warm grey but also our teal is not easily recognisable, we've turned up the colour! The background of teal with hot orange orchids make rich warm tones. This print is also in slate grey and black with flashes of indigo.

### PRIMULA BLACK & BLUE

Inspired by the Dutch Old Masters. A blooming bouquet of primroses, auriculas, and polyanthus flowers in a stunning range of bold colours. The detail in this print is spectacular! A timeless addition to the OHS collection.

### PHOENIX BLACK

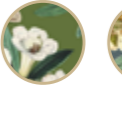

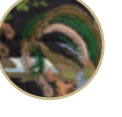

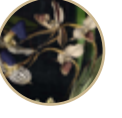

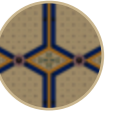

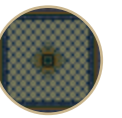

A whimsical illustration of a phoenix circling around, feathers flying. Green lilac and pink feathers make our mythical bird fly from the solid matt black base.

### RHODOLEIA GOLD, GREEN, BLUE & PINK

An Oversize botanical print. This packs a punch on our stunning gold colourway. Rhodoleia flowers of coral and pinks on rich gold, apple green, feminine pink and slate blue backgrounds, intertwined with the blue trumpet vine. A print to create impact!

### WISTERIA BLACK & PLUM

This print features beautiful wisteria flowers falling down a solid strong black background and a beautiful plum background. This print showcases a delicate design in a watercolour camel and beige with green foliage highlights against black. A classic oversize OHS design.

# MATERIALS

## MODAL/ CUPRO

We use a luxurious modal/cupro mix in our kimonos, throwovers, and gowns. This combination of fibres make our garments perfectly lightweight and perfect for layering up this mid-season.

## 100% TENCEL

Our tencel is a sustainable fabric that has the environmental benefits and physical properties of TENCEL™ Lyocell fibres matched with our beautiful skirts, palazzo pants and new dress styles; It offers a luxurious look and feel, similar to silk.

## COTTON & LINEN

This mid-season we have the addition of a linen and cotton mix which you will find in our new pocket jackets. The combination of cotton and linen gives a wonderful texture and lightweight, but warm feeling fabric. This season also features linen and cotton alongside modal in our artisan coats.

## ORGANIC COTTON VELVET

Velvets are a must have part of our winter collection! The Grande and Button Jacket are back in our 100% organic cotton. This year we have introduced a new style of velvet jacket - The Pocket Jacket, with deep front pockets and a placket down the front it's smart and sophisticated for the season.

## COTTON CANVAS

We use 100% cotton canvas in our bag designs. This season we are introducing a new addition to our bags selection. The quilted tote bag features a generous and spacious, rectangular bag with quilted taping details, shoulder strap and an inside pocket.

## 100% WOOL

We have our 100% pure wool to keep you warm this winter. Our wools are available in a selection of our Scarves, Throwovers and the Kimonos.

## NEEDLECORD

Our needlecord is a new addition to our fabrics this Autumn Winter. We've introduced a new dress shape in needlecord - The Pocket dress. We also have a needlecord pant in Wisteria Black. This needlecord is super soft and structured, perfect for this season.
