**WE ARE IN THE BUSINESS OF  
UNCONDITIONAL  
LOVE**

At Bon Ton Toys, we don't just make cuddly toys. We're in the business of UNCONDITIONAL LOVE. We create soft little souls that stay with you. The ones you hold close in quiet moments, that carry memories, offer comfort, and are always there when you need them.

UNCONDITIONAL LOVE asks for nothing. It's that feeling of being held without words, accepted just as you are. It's the quiet kind of love your favourite plush gives, always nearby, always yours.

Whether you're a child discovering the world, or an adult needing a soft place to land, that familiar plush brings you back to yourself. To warmth. To joy. To feeling safe.

**That's not just a toy.  
That's UNCONDITIONAL LOVE.  
Welcome to Bon Ton Toys.**

Since July 2024, we're proud member of 1% for the Planet.

A global movement of businesses that give back to protect the one home we all share.

What does that mean?

It means we donate at least 1% of our annual sales to environmental causes we believe in.

But here's the thing: at Bon Ton Toys, we decided 1% just wasn't enough.

So we give 3%. Not because we have to, but because we want to.

1% for the Planet helps us do it right, with trusted partners, real impact, and third-party checks (because accountability is hot). It's our way of turning every plush sold into a little act of kindness.

We are excited to be part of the Global B Corp Community; a select group of businesses that meet the highest social, environmental and governance standards, the gold standard for businesses that are really trying to do good in the world.

80 points gets your B Corp status. We scored 109. Boom!

We don't just talk the talk, we walk the walk! B Corp label is a points-based certification system that rates a company's social, environmental and accountability efforts.

In other words, it doesn't rank your operations based on how much money you make, but on how much you care for the well-being of your people and the planet.

It's a pretty big deal.

Soft icons with serious charm

Snoopy and Woodstock. One dreams big, the other flutters along, and together they turn everyday moments into miniature adventures filled with heart and humour.

At Bon Ton Toys, we bring their timeless friendship to life through plush. Thoughtfully made with a sustainable mindset, our Peanuts collection blends classic character with modern design, crafted to be loved and cherished for years to come.

Because some duos never go out of style.

And joy, after all, is best when shared.
