Eco-conscious

Hand painted with love

Forever Illustrations started as a way for me to bring a little quirkiness and whimsy back into a world that can feel all too serious; my illustrations are hand-painted in watercolours and printed onto premium cardstock designed to add charm to any space and a smile to any face.

- Blank inside
  - 300gsm cardstock (linen textured or smooth) A6 & square (148mm x 148mm)
  - Supplied with brown kraft envelope, naked - if cellophane (compostable) packaging is required, please notify upon ordering.
-
