

BE BOU *LIE*

The sustainable stretchy tote bag that has taken the market by storm is now available with accessories and in a range of sizes.

Since entering the wholesale market in 2024, the company achieved growth of 720% in 2025. The reorder rate is an unparalleled 90%, with many customers reordering just a few weeks after their initial delivery. "Help! I'm sold out!" is a cry we hear often.

As we launch new products every year, your customers will never tire of our offerings, and our bags are very popular with both buyers for themselves and buyers as gifts.
