The Alphabet features a beautiful bold font with oversized letterforms positioned unconventionally onto the mug. This celebrates the actual graphic shape of the font.

ALPHABET mugs

the happiness range
celebrating the things that
make us happy!

The designs are inspired by mid-century graphics and colours typical of that era.

The Happiness mugs and jugs are designed, decorated and fired by us in our factory in Stoke-on-Trent - but the shapes are made outside the UK.

MADE BY HAND IN ENGLAND

We are passionate about manufacturing our designs in the UK.

Stoke on Trent is world renowned for quality bone china and we are striving to keep alive the centuries old crafts and skills of the area.

DESIGNED IN ENGLAND

Some of our ranges use imported bone china. We then design the patterns, print and decorate the bone china all in Stoke-on-Trent.
