# DOJO

## Two modes, total flexibility

### Pay at table

Print bills, split payments, and add tips all from your card machine.

### Pay at counter

Push payments from your EPOS to your card machine at the till.

## Get more with Dojo

### Take payments in seconds

Dojo Go takes card payments over 50% faster than the industry average.

### Speak to a human

Our friendly UK-based support team is on hand to help. Most issues can be fixed remotely, so your business keeps moving.

### Get paid, tomorrow

Get your takings the next business day from 3pm, depending on your bank's banking window.

### Keep connected, always

Toggle 4G and Wi-Fi to ensure a smooth payment experience.
