

The background of the image is a warm, sunlit dining table. A round cork board with red lobster illustrations and seashells sits on a blue cloth. A wine glass with a cork coaster and a wooden cutting board are also visible. The brand name 'Selbrae' is written in a white script font, with 'HOUSE' in a white sans-serif font below it.

FLORA SS26

Inspired by Scotland's soft green landscapes, this colour story pairs delicate foliage motifs with the tranquil dragonfly - a symbol of calm and reflection. Drifting peacefully among the greenery, it reminds us to slow down, appreciate nature's quiet beauty, and find stillness in life's simpler moments.

CORK SS26

Our cork tableware range features a collection of charming animal designs across placemats, coasters and pot stands. Made from natural portuguese cork, each piece is lightweight, durable and heat resistant, making it as practical as it is decorative. The warm, natural texture of the cork provides the perfect backdrop for our illustrated designs, adding a relaxed, nature-inspired feel to the table.
