# We are pleased to offer you

## Special Prices

If you require larger quantities of ergonomic products, we can offer you special prices based on the volume.

## Fast Delivery

Your order will be processed within 2-5 working days after payment. Free shipping is available on most orders with no hidden fees.

## Consultancy Service

Our service team is always available to assist you with product selection and answer any questions you may have about our products.

## Simple Assembly

Our products are easy to assemble. Assembly requires only one or two people.

## After-Sale Service

We offer a 60-day return policy for a full refund if you are not satisfied with the products.

## Reliable Quality

Our products come with up to a 10-year warranty and are made with eco-friendly materials and processes, ensuring reliability and sustainability.

# Global supply chain layout

Loctek Ergonomic Technology Corp, the parent company of FlexiSpot, went public on December 1, 2017, with an IPO on the Shenzhen Stock Exchange under A shares, marking its listing as a cross-border e-commerce stock (stock code 300729).

Loctek has 3 major production bases around the world, including 14 branches in the United States, Vietnam, the Philippines, and Japan, and 17 public overseas warehouses in the Americas and Europe, with business in 75 countries and regions.

# ESG Initiatives

This section describes achievements in the ESG space – environment, social, and governance.

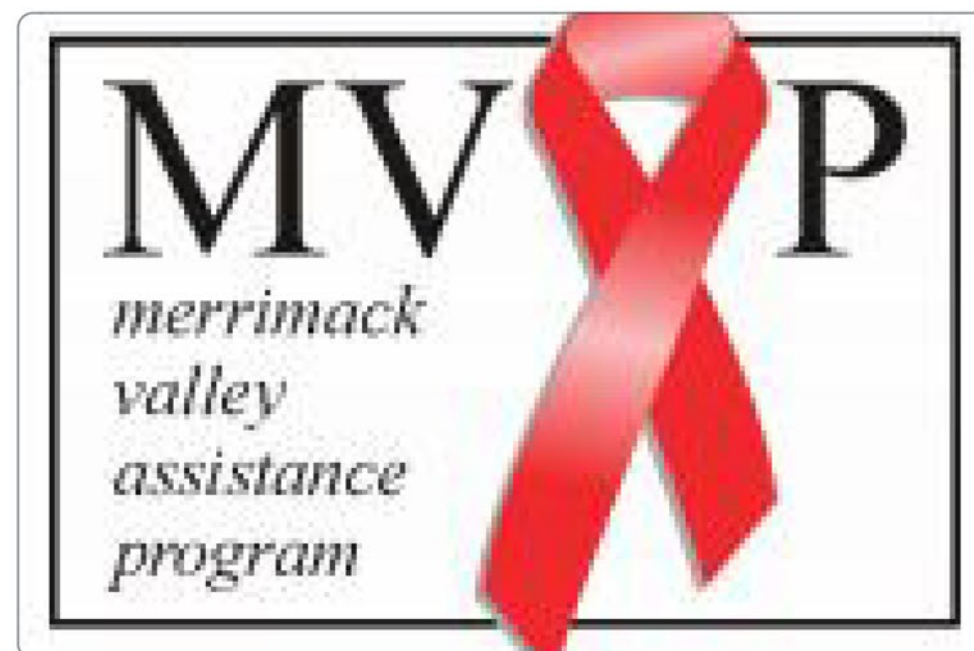

## FlexiSpot's Charitable Contributions

FlexiSpot contributed €2,500 to the German Red Cross and donated 10 standing desk frames to Médecins Sans Frontières (Doctors Without Borders) in Germany.

## FlexiSpot Supports MVAP

Merrimack Valley Assistance Program (MVAP) AIDS Service Organization in New Hampshire. FlexiSpot helps MVAP to actively affect local, state, and national policies on civil rights, discrimination, HIV/AIDS prevention and care, education, research, and services.

## Our Gift Transforms Lives

Collaborating with the Variety Boys & Girls Club (VBGC), FlexiSpot aspires to create a future where every child thrives in academics, pursues successful careers, and makes impactful contributions to society.

## "One Tree Planted" Campaign

FlexiSpot's strategic "One Tree Planted" campaign has successfully planted 1,000 trees, reflecting our commitment to environmental sustainability and a greener tomorrow.
