Expander

We are living at a time when space in our homes needs to be flexible to reflect the busy lifestyles we lead. Space for children to play and grow, entertaining family and friends, crafts, homework and WFH are all features of today's living that our home needs to accommodate. The new Expander table can help fashion your space to satisfy many of these demands. It starts as a Console table which sits discreetly against a wall, but with innovative design and superb craftsmanship it can extend into a Dining table to satisfy these demands, then simply change it back giving floor space for other activities. A brilliant innovation executed with style and flair which will blend effortlessly into any home, office or hospitality environment.

Gena

The simplicity of the fabulous Gena dining chairs is its greatest appeal. The gently padded back and seat are upholstered in faux leather and sit effortlessly on the black metal legs. Following the trend for nature's colours, Black, Tan and Taupe are the chosen colours which will sit with a host of dining tables. The additional appeal for these chairs is that they are stacking allowing space when not in use. A cool and practical solution for smaller dining spaces.

Chairs & Stools 2026

To give style and flair to a dining space careful thought is required to choose the right dining chairs. They can match a table and blend into the dining experience, or augment personal taste by adding a pop of colour, or a design led chair to make an individual setting. The choice is vast, but get it right and the result is a stunning dining experience for all to enjoy and admire.

└ Bedroom

Hadley

The Hadley Bedroom range is an exquisite example of timeless elegance. Made from Oak, this range is pure in its design, clean lines, delicate tapered legs and simple discreet handles on all sets of drawers and wardrobe allowing the oak itself to show its natural characteristics. This leaves the star attraction to shine which is the stunning bed. The headboard is upholstered with a beautiful natural coloured linen fabric which highlights its gentle curve. A stunning bed which provides a calm elegant space to relax.
