

LILLY PILLY

SS 2023 UK/EU

## About Us

Born in Byron Bay Australia, LILLY PILLY draws inspiration from our beautiful coastline and hinterland.

Sustainable fabrics are hand-designed in each collection and produced in an ethical and sustainable way. Our passion is to create everlasting pieces to be treasured for years to come.

TIMELESS . QUALITY . MADE WITH INTEGRITY

OATMEAL & SUNFLOWER

A woman with long dark hair, wearing a bright yellow, flowing dress, is running barefoot on a sandy beach. She is seen from behind, with her arms outstretched, running towards the ocean. The waves are breaking in the distance, and the sky is clear. The wet sand reflects her and the dress. The overall mood is joyful and carefree.
