Naturally Mood Boosting From the Outside In

Our collection uses the therapeutic colours of nature and the magical properties of plant extracts within the finest essential oils to saturate your senses; *naturally, beautifully, perfectly.*

Optimism - Uplifting

Make everything rosy with light-hearted pink. Bringing hope and joy, putting a spring in your step.

Contentment - Rebalancing

Feel connection with the green of the natural world. Allow a soft focus to reset and restore your well-being.

Pause - Calming

Rest and recover with calming blue. Tranquil moments dreaming of big skies and endless oceans.

We plant trees in partnership
with **Eden Reforestation**

Proudly Made in the UK
Small batches in **Somerset**

The Wonders of Colour

Colour has universally positive impact, we've chosen beautiful colours that your customers will fall in love with time and time again, connecting on a deep subconscious level.

The Art form of Essential Oils

Eloise works closely with our master natural perfumer to create incredible fragrances. An art form in itself, together they select and expertly blend the finest essential oils.
