## Quality Materials

We only use 925 sterling silver or solid gold

Our vermeil contains 14K gold and is 2-4 times the industry standard ensuring our jewels last a lifetime

# Our Story, Our World

DO YOU BELIEVE IN MAGIC? WE DO!

At BLOOMTINE, we are on a mission to remind our angels of their celestial identity

We are dedicated to creating magic through jewellery by evoking feelings of gratitude and nostalgia

All of our designs are copyrighted and paired with thought-provoking messages

Not only do we want our jewellery to resonate at a deeper level, but we've been making jewellery using sustainable methods since inception - it's in line with our core values

Our range is predominantly sustainable. We use lab diamonds, moissanite, recycled silver and gold (we stock a small range of fine jewellery)

We use recycled packaging and plant a tree with every purchase

Sustainable, Spiritual and Season-less jewels designed in our West London Boutique
