PIPPA & PAPER

I'm Emily – the illustrator, card maker, and animal enthusiast behind Pippa & Paper, a Bristol-based brand bringing joyful characters to life with a splash of watercolour and a whole lot of personality.

At Pippa & Paper, you'll find a Giraffe adorned in a flower crown, a Dog in a party hat, and plenty more charming creatures dressed up for all of life's little celebrations.

My cards are full of colour, intricate detail, and playful touches – perfect for customers who love unique designs with heart and humour.

Every piece starts life in my studio, where I paint each animal, adding florals, festive elements, and whimsical details that make them feel truly special. Printed in the UK on high-quality card, they're made to be loved, kept, and sent again and again.

If you're looking for cards that stand out on your shelves and bring a smile to your customers' faces, you're in the right place.

I'm so excited to share my collection with you – I hope you love it as much as I loved painting it.

Warm wishes,
Emily Pippa
