WORK

The work of Marukanou Murata

We sells incense sticks and candles wholesale to speciality shops throughout Japan.
It develops its own original products and sells them through the same channels.
The company will start selling overseas from 2023 and is currently working hard to expand traditional Japanese incense overseas.

Palo Santo

(purification) (bring happiness) (Sacred Tree)

Palo Santo is usually lit on the fragrant wood itself.
As it is smoky and difficult to handle,
it is made into an incense that can be used easily.

Only pure Palo Santo powder is used. 100% natural incense with no dyes or perfumes.
