dietary supplements

## VITAMIN C

### What makes it stand out:

Dual-source Vitamin C with antioxidant layering, rare in gummy format and designed for consistent bioavailability.

Packed with 1000mg of Vitamin C per serving - from both ascorbic acid + acerola cherry extract

Strengthens immune system, skin collagen production, and iron absorption

Contains zinc + bioflavonoids for antioxidant synergy

Gentle on the stomach - no acidity spike

Naturally sweetened, with zero artificial colourants

Your daily armour against fatigue, dull skin, and stress

Vitamin C consistent daily intake didn't prevent colds but did reduce duration by ~8% in adults and ~14% in children, especially in moderate to severe cases.

## HAIR, SKIN AND NAILS

### What makes it stand out:

Not just biotin - a complete dermo-nutrition formula with hydration molecules inside a beauty gummy.

10,000 mcg of Biotin, plus Vitamin A, C, E, Zinc & Folic Acid

Promotes thicker hair, stronger nails, and hydrated, glowing skin

Contains hyaluronic acid + silica for deep skin moisture and elasticity

No gelatin - 100% vegan & halal

Where your beauty rituals meet results

Zinc, Vitamin A, C, E and Folic Acid that's in Hair skin & nail gummy - support skin repair and defense.

## SEA MOSS

### What makes it stand out:

Sea Moss gummies with full-spectrum micronutrient support, upgraded with ancient botanicals for bioavailability and beauty from within.

Natures superfood, refined for the modern body 100% wildcrafted Irish Sea Moss, sustainably sourced

Contains 92 of the 102 essential minerals your body needs daily

Supports gut health, immunity, energy, and hormonal balance

Infused with Bladderwrack + Burdock root for enhanced detox and metabolism

Naturally flavoured, vegan, and non-GMO, sustainable and recycable, HALAL

Supports gut health via fiber and prebiotics. Rich in amino acids and taurine - could aid workout recovery. May benefit the thyroid - thanks to iodine.
