*Minimal by design.
Powerful by nature.*

Photo: wake up light and buttons on the back of Wakie.

Wakie

Wakie is a sleek and clever alarm clock with wake-up light and wireless charging.

Designed to ease you into the day – and help you wind down at night. Its clean, minimalist design keeps all controls neatly placed on the back, giving you a smooth front view.

The display brightness can be adjusted to your preference - so the time is always visible without disturbing your sleep. Or, if you prefer, you can turn the display off completely.

Place your phone on top before bed – it'll charge while you rest.

The built-in speaker lets you enjoy sleep sounds or a bit of music when getting ready. Simple and thoughtful – for calm moments, day and night.

Specs and details

- 100% recycled GRS plastic
- Alarm clock
- Wake up light
- Sleep sounds
- Speaker: 3W
- Wireless charging: 15W
- LED display with dimming function
- Power cable included
- We suggest to use a 20W adapter
- Please note: Wakie must be plugged in at all times, as it has no built-in battery

Photo: wake up light on the back of Ivy.

Ivy

Ivy is a wireless alarm clock with wake-up light and sleep sounds.

Designed to help you fall asleep peacefully and wake up gently – every single day.

Ivy is made from recycled materials and created for calm moments around the clock.

Set your own snooze intervals, choose between six alarm sounds, and wake up with soft light and soothing tones instead of sudden noise.

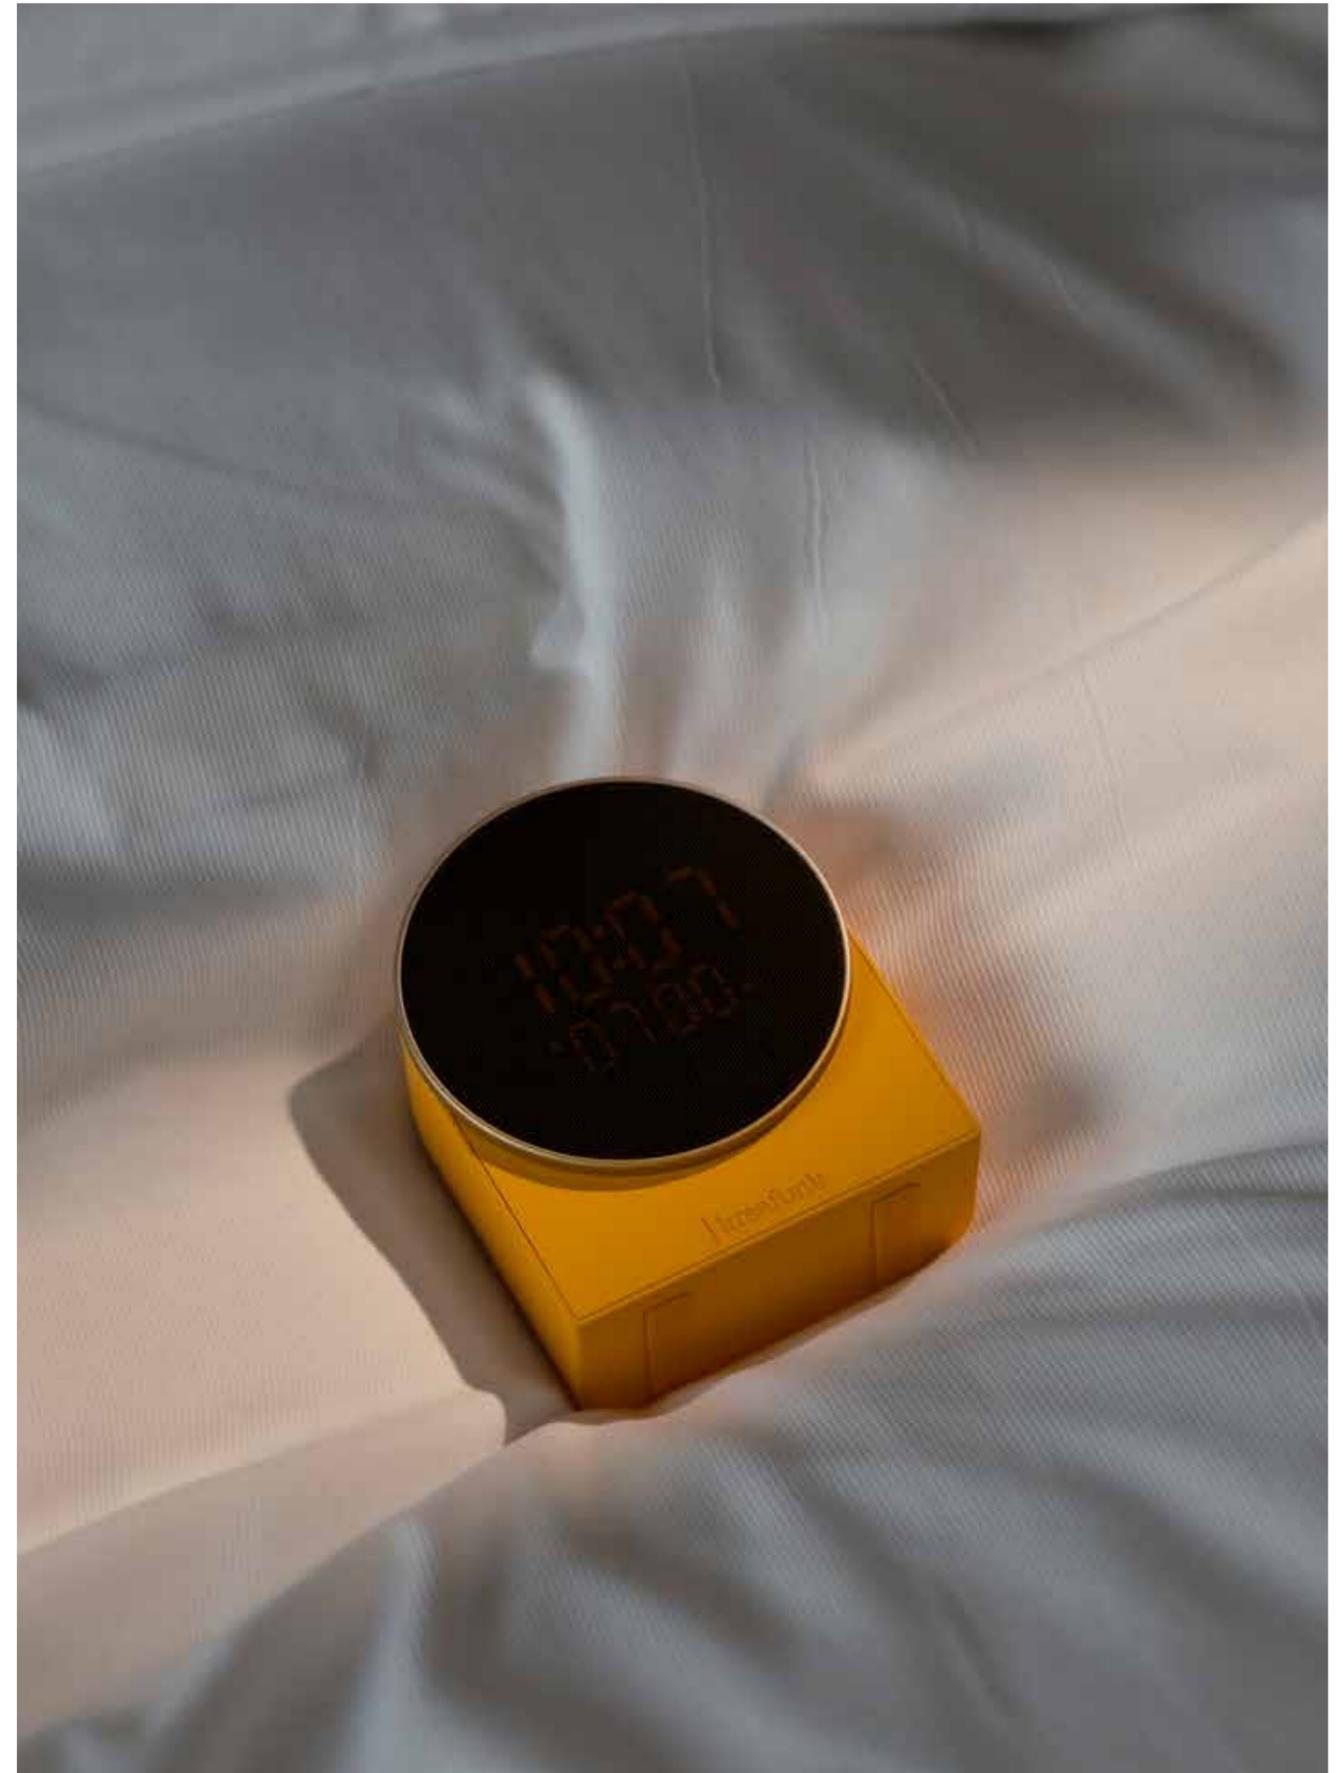

The sleep timer lets you drift off to gentle soundscapes at night, and the LED display can be dimmed – or turned off completely – so nothing disturbs your rest.

With its rounded shape, elegant edge and five beautiful colours to choose from, Ivy brings both function and a soft touch of style to your bedroom.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX4)
- Alarm clock
- Wake up light
- Sleep sounds w. timer
- Speaker: 3W
- Up to 30 days operating time (display off)
- Up to 60 hours operating time (display on)
- LED display with dimming function
- Bluetooth 5.3
- Range: up to 10 meter
- USB-C cable included

Bello

Light that follows you – indoors and out. Bello is a stylish portable lamp you'll want in every corner.

With up to 50 hours of battery life, you can bring Bello from room to room – or take it outside for late dinners on the terrace, quiet reading on the balcony, or long summer evenings under the stars.

Tap the top to choose between three brightness levels, or set the timer if you want the light to fade out by itself.

The clean shape and modern colours, incl. two new woodlike surfaces, make it easy to mix and match. Place a few together and create that extra cozy glow, anywhere.

Made from recycled materials and water-resistant too – Bello is ready for it all.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX4)
- Up to 50 hours operating time
- Charging time: 4-5 hours
- Lamp: 3 steps (10, 50 and 100%)
- Timer
- Touch sensor
- USB-C cable included
