Winston's Wish is a charity that helps bereaved children, young people (up to 25), and their families find their feet when their worlds are turned upside down by grief.

10p from this card will go to Winston's Wish. This collection has been designed alongside the Youth Ambassadors of Winston's Wish. They have shared their experiences in order to help support others through the creation of this greeting card collection.

'Healing Hugs' is an inspired collection of eight greeting cards created to change the existing outdated narrative surrounding Sympathy and subsequent card offering for young people and their families on their grieving journey.

The collection includes a mix of designs that appeal to a wide age demographic as well as designs aimed at being shared beyond the initial bereavement experience.

COUNTER TOP SPINNER (CTS)

Since launching in January 2024, our 'Little Joys' and 'Bow-Wows & Meow-Wows' mini card collections have been flying off the shelves. We've created a bright, eye-catching display unit to showcase these mini designs.

- With over 140 designs available, there's plenty for your customers to choose from.
- Your CTS also comes with a striking 3D-printed branded topper, free of charge.
- Compact design 40 x 40cm inclusive of space for spinning movement.
- The unit holds both mini card ranges (95mm x 133mm) and has 24 pockets, each holding 12 cards. Simply order 24 x 12 designs, for a total of 288 cards. The total cost is £236.16 + VAT.

FLOOR STANDING SPINNER (FSS)

THERE ARE FOUR KEY REASONS OUR FLOOR STANDING SPINNER STANDS OUT IN THE MARKET:

- **Customisable sides:** Four clip-on panels let you tailor each spinner to the products you choose.
- **Vibrant design:** Not just one colour but four bold, eye-catching colours in one display.
- **Striking 3D topper:** A fully 3D-printed branded topper that makes an impact (and won't droop like a sad A4 sign).
- **Compact & expertly made:** A sleek 55cm² base and high-quality craftsmanship from skilled UK makers.

HOW IT WORKS

GREEN SIDE

Holds two card sizes: 114mm x 162mm and 133mm x 184mm (our most common sizes). The Green side has 12 pockets and each fit 12 cards.
12 pockets x 12 cards each
= 144 cards required for this side.

YELLOW SIDE

Holds our mini cards (95mm x 130mm) from the Little Joys and Bow-Wows & Meow-Wows collections. The Yellow side has 16 pockets and each fit 12 cards.
16 pockets x 12 cards each
= 192 cards required for this side.

BLUE SIDE

Holds our 3D cards from the Keepsakes and Treasures collections, with a tray for a display item. The Blue side has 6 pockets and accompanying display trays. Each pocket fits 12 cards.
6 pockets x 12 cards each
= 72 cards required for this side.

BECAUSE THE *spinner* IS FULLY *customisable*, THE TOTAL COST DEPENDS ON THE *mix* OF SIDES *you* CHOOSE.

As a guide: selecting two Green sides, one Blue, and one Yellow (552 cards total) would cost approximately **£649 + VAT.**

To receive a spinner, simply order enough stock to fill all four sides. The spinner itself is free with this initial order, with a £25 delivery charge for UK* mainland. Future top-up orders will follow our standard trading terms (available online). Spinners are shipped directly from our manufacturer, while cards and the topper are sent from Raspberry Blossom. If spinners are not in stock, production can take up to four working weeks; but we'll confirm availability at the time of order and arrange delivery dates that work for you. Please note: the spinner is designed exclusively for Raspberry Blossom products and remains our property while in your possession. If you choose to stop stocking our range, we'll collect the spinner and topper so they can be rehomed with another retailer who shares our mission to spread everyday moments of joy. *For orders outside UK mainland, shipping costs will be quoted at the time of order.
