Crafted in the UK

Made with Precision, Finished by Hand

We are now launching our **new collection of luxury oak platters** - sculptural pieces that balance design and function for **curated entertainment and everyday living**.

Each platter is hand crafted in small batches with **CNC precision and hand finishing** guaranteeing consistency and quality.

Sustainability

Serveware to Treasure

Each piece is crafted from **FSC-certified**, sustainably sourced prime oak, selected for its strength, character, and beauty.

Our commitment to sustainability is at the heart of **Rachel Hutchinson Furniture** - timeless design, minimal waste, and materials that capture the natural character of oak.
