

You won't find nails like ours anywhere else in the UK. You won't find a nail brand as unique as YIJIU anywhere in the world.

YIJIU

YIJIU is a London-based business that creates handmade, reusable, gel press-on nails and self-care products.

Every YIJIU nail set is created using high-quality gel and crafted with great care by our artists, then delivered to you worldwide with love.

YIJIU helps you reach the lifestyle you are chasing. We continue to create, explore, and inspire through our story and our products, starting from every girl's fingertips.
