Spring Summer 2026

Greeting Cards, Wrapping Paper & Fine Art Prints

Hello!

I'm thrilled to share my latest look book with you!
My collection of cards, art prints and wrapping paper continues to grow, **inspired by quiet moments, hobbies, stillness, and glimmers of joy found in everyday life**. Each illustration is hand painted with care, offering something heartfelt and meaningful for your customers to connect with.

Sustainability is at the heart of my process, everything is produced using **responsibly sourced, FSC-certified paper and environmentally friendly inks**.

This season I've welcomed a **group of knitters** into my range, along with a collection of very simple and **tenderly illustrated parenting cards**.

I hope you love the new season as much as I do!

Kate
