# Our Story

*Based in the Surrey hills, we've been making candles and home fragrances for over 25 years – and when we say making, we really mean it! Every candle is hand-poured on-site, every fragrance lovingly blended in our labs and every beautiful item carefully packed, wrapped and polished by our team of candle experts.*

From our blends to our boxes, our care, expertise and attention to detail means you get high quality home fragrances every time. We don't compromise on quality or settle for average here, we take pride in each and every single product we make.

We only use the finest blend of wax in our candles to give you with the best, longest lasting aromas (trust us, it makes all the difference). When it comes to scents, we test, try and refine to create the dreamiest fragrances that make your home smell wonderful.

# The Oak Hills Collection

*It all started with a beautiful oak tree and a big idea. Over two decades ago, the Lower Lodge Candles Oak Hills range came to life in the backdrop of the stunning Surrey Hills. Inspired by the gorgeous nature all around us, we wanted to bring some of the calmness of the countryside into people's homes.*
