Jewellery Designer Profile

LELYA

Finding the perfect engagement ring is one of life's most meaningful journeys, yet traditional designs often feel impersonal. Lelya creates one-of-a-kind engagement rings designed around rare, ethically sourced sapphires and diamonds, celebrating love through exceptional craftsmanship. Handmade in Scotland with meticulous

attention to detail, each bespoke piece is crafted to honour love, individuality, and timeless elegance. Follow @lelyauk and visit lelya.co.uk

HEXTER & BAINES

Cronvas is a jewellery watch by Hexter & Baines. The Cronvas watch case and bracelet links draw inspiration from the smooth curves and elegant lines of the classic hourglass shape. Discover more at [hexterandbaines.com](https://www.hexterandbaines.com) and @hexterandbaines on Instagram.

THE WANDERING JEWEL

Char Sidney's brand The Wandering Jewel introduces a new addition to the

Disengagement Ring Collection. The pretty bubble heart ring was created for strong empowered women that have decided to focus on themselves. This was originally designed for a divorcee by repurposing her diamonds, but can now be made to order. Visit [thewanderingjewel.com](https://www.thewanderingjewel.com) and follow @thewanderingjewel_shop on Instagram.

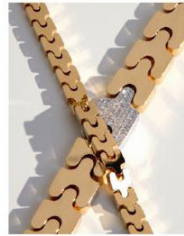

PAUKST STUDIO

Paulkst Studio is a contemporary jewellery studio by artist Martyna Paulkste, known for sculptural, organic forms and flowing asymmetric shapes. Embracing randomness, each ring reveals a shifting silhouette. Designs are made to complement each other, with the silver heart ring

flowing seamlessly into the wave form. Visit www.paukst.studio and follow @paukst.studio on Instagram.

NOMIS

NOMIS, known for its versatile jewellery, introduces a vibrant season of unique shapes and colours. Enjoy rich hues in signature cuffs or create a choker with chunky gold bracelets from the Misha collection, featuring cognac and white diamonds. Self-expression awaits with their

extraordinary multifunctional jewellery for women and men. Visit [nomis-jewelry.com/en-uk](https://www.nomis-jewelry.com/en-uk) and @nomis_jewelry on Instagram.

JO LACQUA

Accessorising is an art—and Jo Lacqua masters it beautifully. This unique British brand helps you discover, define and accessorise your personal style. Whether you're a timeless classic or an earthy natural, take their simple style test and choose quality, affordable jewellery that feels

authentically you. Visit www.jolacqua.co.uk and follow @jo.lacqua.com on Instagram. Photography by @jadalana photography

KURBĀNI DURJINI

Kurbāni Durjini is a quintessential British jeweller of London, celebrated for redefining modern luxury through its breathtaking diamond designs. Blending

timeless elegance with bold innovation, each creation reflects masterful craftsmanship and artistic brilliance. Visit [durjini.com](https://www.durjini.com) and follow @kurbanidurjini on Instagram.

EARTH TONES JEWELRY

Discover Earth Tones Jewelry, made by hand in Miami and inspired by natural forms. Wear these unique pieces individually as a statement, or in combination for versatile and unique looks. Visit [earthtonesmiami.com](https://www.earthtonesmiami.com) follow

@earthtonesjewelry on Instagram and shop in good conscience, with one tree planted for every online order.

SKETCHY BONES COLLECTIVE

With a curiosity for unconventional beauty, Sketchy Bones Collective translates the peculiarities of our natural world into highly detailed jewellery.

Introducing Loud Mouth, the Sketchy Bones signature ring and everyone's favourite set of chompers. Available in silver and gold. Explore the full collection on www.sketchybonescollective.com and follow @sketchybonescollective on Instagram.

ALEXIE OF ATHENS

Alexie of Athens redefines modern talismans by offering jewellery infused with meaning, movement, and adaptability, designed to be customised by the wearer. Inspired by celestial symbols, vintage relics, and the power of personal storytelling, each piece is crafted to be layered, lived in, and loved. A seamless blend of nostalgia, modernity and effortless chic, designed for those who embrace the unseen energy woven into adornment. Discover the collection at [alexiofathens.com](https://www.alexiofathens.com) and follow @alexiofathens on Instagram.

SANTA CATARSIS

Santa Catarsis creates jewellery that explores dynamic forms and figurative concepts, delivering creations that evoke emotions. Santa Catarsis highlights the natural beauty of its materials through original pieces and refined design. Visit www.santacatarsis.com and follow @santacatarsis on Instagram.

ATTONA

Based in Switzerland, Attona designs jewellery using responsibly sourced and repurposed gold and silver. Committed to ethical practices, the brand embodies elegance with intention and offers timeless designs that blend classic sophistication with an effortless modern edge. Explore more at www.shopattona.com and follow @attona_official on Instagram.
