

THURSDAY'S CHILD

S/S 2026
WHOLESALE BROCHURE

ART THAT DOESN'T TAKE ITSELF TOO SRSLY

I'm Char, a self-taught illustrator and founder of Thursday's Child - a vibrant print brand celebrating bold colour, nostalgic lyrics and sarcastic one liners

What started as an idea to create subtle Swiftie inspired prints has grown into a colourful rough and ready collection of artwork full of character and personality

As Thursday's Child continues to grow, I'm excited to see my prints finding their way into colourful, design led shops and homes across the UK and beyond

I believe that if you love what you make,
the right people will love it too

Patriarchy

I would like a ring, I would like a
ring. I would like a diamond ring
on my wedding finger. I would like
a big and shiny diamond that I
could wave around and talk and
talk about it and when the day
is here, forgive me, God, that I
could everdoubt it. Until death,
I do, I do, I do, I-I-Is he about it,
'bout it, 'bout it? This man is
testing me, uh-huh, uh-huh Uh,
help me, help me, help me, Lord I
need you to tell me, baby -
where the hell is my husband?
